Data subject's expressed consent pursuant to GDPR Article 6 (1) a),

4. Profiling

VOLT creates a user profile based on consent in order to provide offers based on the user's needs, preferences and interests. The offers will be sent by e-mail, via newsletters. Profiling means any form of automated processing of personal data consisting of the use of personal data to evaluate certain personal aspects relating to a natural person, in particular to analyze or predict aspects concerning that natural person's performance at work, economic situation, health, personal preferences, interests, reliability, behavior, location or movements.

5. Persons with access to personal data:

The data may be accessed by VOLT marketing staff, VOLT promoters (ticket promoters), VOLT remarketing agencies, as well as data processors specified in this Notice, in order to carry out their tasks. Accordingly, for instance, personal data may be accessed for the purposes of administration and data processing by the system administrator of VOLT and the Data Processors specified in this Notice.

VOLT uses web analytics services provided by **Google LLC**, (1600 Amphitheatre Parkway Mountain View CA 94043), which is part of the EU-U.S. privacy shield (address: 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA) Google Analytics, the **Hotjar Ltd.** (Level 2 St. Julians Business Centre, 3, Elia Zammit Street, St. Julians STJ 1000, Malta) the **Facebook Ireland Ltd.** (4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland), the **Optimonster** (optimonster.com) and the **Monday.com** (address: 33 West 17th Street New York, New York 10011) – the latter which is part of the EU-U.S. privacy shield. The web analytics services use cookies, which are used to assist in analyzing the use of the online platforms. Via the online platforms, the user provides specific and expressed consent to Google Analytics to transfer data created by cookies in relation to online platform usage to Google servers located in the United States; Optimonster is to transfer and store information related to online platform usage to its servers located in Florida, United States. The cookies processed by Hotjar and Facebook are stored on their servers located in the European Union. For the purposes and in the manner described above, the user consents to the collection and analyses of his/her data via specific consent provided on the web site. Google, Hotjar and Facebook uses this information for the evaluation and analysis of the data subject's use of the online platforms, to create reports on the data subject's activities on the online platforms, as well as to provide other services related to online use and activity on the online platforms.

Given that Optimonster is not part of the EU-US Privacy Shield, VOLT takes measures necessary to provide the appropriate level of privacy protection via entering into a model contract under 2010/87/EU Decision in the addendum of Optimonster's data processing contract.

In order to present personalized offers as well as to track users, molnagyonbalaton.hu, strandfesztival.com, and bmylake.hu sites include embedded code from the following providers. Tracking and analytics applications implemented via Google Tag Manager: Google Analytics, Facebook pixel, Appnexus, Double Click floodlight, Conversion linker, Adwords Conversion Tracking, OneTag pixel, Sizmek pixel, Snapchat pixel, Optinmonster, Hotjar, Google Optimize. The code provides targeting opportunities for different advertising modes using cookies stored with the user. Please be aware that through direct connection to their servers, and direct communication with the user's browser, these providers can collect user data (such as IP address, browser, operating system information, cursor movement, address and time of visited site).

Transfer of data:

We transfer data to the following recipients:

- a) In relation to the processing purpose of online ticket sales, data related to purchases made on the internet are transferred to OTP Mobil Kft. (Simple) (address: 1093 Budapest, Közraktár u. 30-32., CRNo.: 01-09-174466, tax ID: 24386106-2-43), through the bank card accepting network of OTP Mobil Kft. (Simple), as well as OTP Bank Nyrt. (1051 Budapest, Nádor u. 16.), to ensure the processing, security and tracking of purchase transactions. Transferred data are: user's last name, first name, shipment address, billing address, telephone number, e-mail address and data related to the purchase transaction.
- b) If the user purchases with a card or voucher offering a special discount (OTP SZÉP Card, MKB SZÉP Card, K&H SZÉP Card, Erzsébet Card, Edenred voucher), VOLT transfers the required customer data to the company supplying the discount (OTP Pénztárszolgáltató Kft. (Mérleg u. 4., Budapest, 1051), MKB Nyugdíjpénztárt és Egészségpénztárt Kiszolgáltató Kft. (Dévai u. 23., Budapest, 1134), K&H Csoportszolgáltató Központ Kft. (Lechner Ödön fasor 9., Budapest, 1095), Erzsébet Utalványforgalmazó Zrt. (Hermina road 63. I/1., Budapest, 1146), Edenred Kft. (Kéthly Anna square 1., Budapest, 1075)). The user may request information on the applying data management rules directly from the respective service provider company. VOLT automatically processes identifiers and other data of such cards/vouchers only to the extent the service provider company requires it to execute the purchase and to supply the discounts.

In addition to section 5. a)-b), personal data are not transferred to any third party. Data are transferred to a third party or recipient if you are informed on the potential recipient in advance, and a prior consent is given by you or it is required by law. During such data processing activity, personal data are not transferred to any third countries or international organizations.

6. Links to social media service providers, social media browser extensions:

VOLT's web pages contain links directing to Facebook, Instagram, and Youtube. In these cases, data transfer to the aforementioned social media operators only occurs when you click on the given icon (for instance, the "f" icon in case of Facebook). When you click on the given icon, the page of the specific social media operator opens up in the form of a pop up window. On these pages, you may publish information related to our products, in accordance with the regulations of the specific social media operator.

7. Data security

VOLT shall ensure security of the personal data and shall implement appropriate technical and organizational measures to ensure that the collected, stored and processed data are secure, in addition to preventing destruction, unauthorized use, and unauthorized alteration of the data. In addition, VOLT shall notify third parties -to whom the data subject's information is transferred- that they are obligated to meet data security requirements.

VOLT shall prevent unauthorized access to personal data, as well as their publication, transfer modification or erasure.

VOLT will take all reasonable measures in order to prevent damage or destruction of data. VOLT shall impose the aforementioned obligation to its employees partaking in data processing, as well as processors acting under the authority of VOLT.

VOLT uses the operating services of Netpositive Kft. for the storage of your personal data on servers located in the Budapest server rooms of GTS Datanet in district XIII of Budapest, Victor Hugo street 18-22. In order to prevent unauthorized persons to access your data, VOLT and its partners ensure the protection of personal information and prevents unauthorized access as follows: Access to personal information stored on the servers are recorded in a journal by VOLT and the data processor on VOLT's behalf, so it can always be monitored who and when accessed what kind of personal information. Access to the computers and the server is password protected.

Moreover VOLT also uses the services of the Hidden Design Korlátolt Felelősségű Társaság (1095 Budapest, Gát utca 21. fszt. 1., Company register No.: 01-09-278702, tax number: 23089655-2-43) to provide a runtime environment for the Websites of VOLT. The Hidden Design Kft. resorts to the following sub-processors (the data are exclusively stored at servers located in the European Union): the Contabo GmbH (Aschauer Straße 32a, 81549 Munich, Germany, Company registration number: HRB 180722, registry court: AG München, tax number: DE267602842, telephone number: +49 89 3564717 70, Fax: +49 89 216 658 62, e-mail: info@contabo.com), and the DigitalOcean LLC (101 Avenue of the Americas, 10th Floor, New York, NY 10013, United States).

8.1 Communication of a personal data breach to the data subject

Personal data breach means a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, personal data transmitted, stored or otherwise processed.

When the personal data breach is likely to result in a high risk to the rights and freedoms of natural persons, VOLT shall communicate the personal data breach to the data subject without undue delay in a clear and easy to understand manner.

The communication to the data shall not be required if any of the following conditions are met:

- a) VOLT has implemented appropriate technical and organizational protection measures, and those measures were applied to the personal data affected by the personal data breach, in particular those that render the personal data unintelligible to any person who is not authorized to access it, such as encryption;
- b) VOLT has taken subsequent measures which ensure that the high risk to the rights and freedoms of data subjects is no longer likely to materialize;
- c) the communication would involve disproportionate effort. In such a case, there shall instead be a public communication or similar measure whereby the data subjects are informed in an equally effective manner.

9. The rights and legal remedies of data subjects

In addition to data subject's rights regarding the use of recordings above, data subjects may exercise the following rights related to data processing under this notice:

Right to information and to access the data:

You have the right to receive feedback from VOLT on whether your personal information is being processed, and if such processing of your data is under way, you have the right to access the personal data and the following information:

- a) the purposes of the data processing
- b) the categories of the personal data concerned,
- c) the recipients or categories of recipients to whom the personal data have been or will be disclosed, in particular recipients in third countries or international,
- d) where possible, the envisaged period for which the personal data will be stored, or, if not possible, the criteria used to determine that period ,

- e) the existence of the right to request from VOLT rectification or erasure of personal data or restriction of processing of personal data concerning the data subject or to object such processing
- f) the right to lodge a complaint with a supervisory authority
- g) where the personal data are not collected from the data subject, any available information as to their source.
- h) the existence of automated decision-making, including profiling, and, at least in those cases, meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

Where personal data are transferred to a third country or to an international organization, the data subject shall have the right to be informed of the appropriate safeguards pursuant relating to the transfer.

VOLT shall provide a copy of the personal data undergoing processing. For any further copies requested by the data subject, VOLT may charge a reasonable fee based on administrative costs. Where the data subject makes the request by electronic means, and unless otherwise requested by the data subject, the information shall be provided by VOLT in a commonly used electronic form.

The right to obtain a copy referred to in the paragraph above shall not adversely affect the rights and freedoms of others.

The aforementioned rights may be exercised via the contact information specified in article 10.

Right to rectification:

The data subject shall have the right to obtain from VOLT without undue delay the rectification of inaccurate personal data concerning him or her. Taking into account the purposes of the processing, the data subject shall have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

Right to erasure ('to be forgotten'):

The data subject shall have the right to obtain from VOLT the erasure of personal data concerning him or her without undue delay where one of the following grounds applies:

- a) the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;

- b) the data subject withdraws consent on which the processing is based, and where there is no other legal ground for the processing;
- c) the data subject objects to the processing and there are no overriding legitimate grounds for the processing, or the data processing relates to direct sales;
- d) the personal data have been unlawfully processed;
- e) the personal data have to be erased for compliance with a legal obligation in Union or Member State law to which VOLT is subject;
- f) the personal data have been collected in relation to the offer of information society services.

Erasure of data may not be requested if the processing is necessary:

- a) for exercising the right of freedom of expression and information;
- b) for compliance with a legal obligation which requires processing by Union or Member State law or for the performance of a task carried out in the public interest;
- c) for the purposes of preventive or occupational medicine, for the assessment of the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or the management of health or social care systems and services on the basis of Union or Member State law or pursuant to contract with a health professional, and these data are processed by or under the responsibility of a professional subject to the obligation of professional secrecy under Union or Member State law or rules established by national competent bodies or by another person also subject to an obligation of secrecy under Union or Member State law or rules established by national competent bodies.
- d) for reasons of public interest in the area of public health, such as protecting against serious cross-border threats to health or ensuring high standards of quality and safety of health care and of medicinal products or medical devices, on the basis of Union or Member State law which provides for suitable and specific measures to safeguard the rights and freedoms of the data subject, in particular professional secrecy;
- e) for reasons of public interest in the area of public health and these data are processed by or under the responsibility of a professional subject to the obligation of professional secrecy under Union or Member State law or rules established by national competent bodies or by another person also subject to an obligation of secrecy under Union or Member State law or rules established by national competent bodies;
- f) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes if the right to erasure would probably seriously risk or make impossible such data processing.¹

¹ Processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes, shall be subject to appropriate safeguards for the rights and freedoms of the data subject. Those safeguards shall ensure that technical and organizational measures are in place in particular in order to ensure respect for the principle of data minimization. Those measures may include pseudonymisation provided that those purposes can be fulfilled in that manner. Where those purposes can

- g) for the establishment, exercise or defense of legal claims.

Right to restriction of processing:

Upon data subject's request, VOLT restricts the processing of data subject's personal data where one of the following applies:

- a) the accuracy of the personal data is contested by the data subject, in this case the restriction is for a period that enables the data subject to verify the accuracy of the personal data;
- b) the processing is unlawful, and the data subject opposes the erasure of the personal data and requests the restriction of their use instead;
- c) VOLT no longer needs the personal data for the purposes of the processing, but they are required by the data subject for the establishment, exercise or defense of legal claims;
- d) the data subject has objected to VOLT's processing pursuant to public interest or compelling legitimate grounds, in this case the duration of the restriction is for the time period needed for the verifying whether the legitimate grounds of the VOLT override those of the data subject.

Where processing has been restricted for the aforementioned reasons, such personal data shall, with the exception of storage, only be processed with the data subject's consent or for the establishment, exercise or defense of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State.

A data subject who has obtained restriction of processing pursuant to the aforementioned reasons shall be informed by VOLT before the restriction of processing is lifted.

Right to data portability

The data subject shall have the right to receive the personal data concerning him or her, which he or she has provided to VOLT, in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller without hindrance from VOLT to which the personal data have been provided, where:

- a) the processing is based on consent pursuant to contract
- b) the processing is carried out by automated means.

In exercising his or her right to data portability pursuant to the aforementioned, the data subject shall have the right to have the personal data transmitted directly from one controller to another, where technically feasible.

The exercise of the right to data portability shall be without prejudice to the right to erasure ('to be forgotten'). That right shall not apply to processing necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in VOLT.

The right to data portability shall not adversely affect the rights and freedoms of others.

Right to object

The data subject shall have the right to object, on grounds relating to his or her particular situation, at any time to VOLT's processing of personal data concerning him or her where processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in VOLT, processing is necessary for the purposes of the legitimate interests pursued by VOLT or by a third party, including profiling based on those provisions. In this case, VOLT shall no longer process the personal data unless it demonstrates compelling legitimate grounds for the processing which override the interests, rights and freedoms of the data subject or for the establishment, exercise or defense of legal claims.

Where personal data are processed for direct marketing purposes, the data subject shall have the right to object at any time to processing of personal data concerning him or her for such marketing, which includes profiling to the extent that it is related to such direct marketing. Where the data subject objects to processing for direct marketing purposes, the personal data shall no longer be processed for such purposes.

Where personal data are processed for scientific or historical research purposes or statistical purposes, the data subject, on grounds relating to his or her particular situation, shall have the right to object to processing of personal data concerning him or her, unless the processing is necessary for the performance of a task carried out for reasons of public interest.

Right to withdraw consent

The data subject shall have the right to withdraw his or her consent at any time if VOLT's data processing is based on consent. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal.

Modalities in case of request by the data subjects on the exercise of the aforementioned rights

VOLT shall provide information on action taken on a request to the data subject without undue delay and in any event within one month (30 days) of receipt of the request. That period may be extended by two further months where necessary, taking into account the complexity and number of the requests.

VOLT shall inform the data subject of any such extension within one month of receipt of the request, together with the reasons for the delay. Where the data subject makes the request by electronic form means, the information shall be provided by electronic means where possible, unless otherwise requested by the data subject.

If VOLT does not take action on the request of the data subject, VOLT shall inform the data subject without delay and at the latest within one month of receipt of the request of the reasons for not taking action and on the possibility of lodging a complaint with a supervisory authority and seeking a judicial remedy.

VOLT shall provide the requested information and notification free of charge. Where requests from a data subject are manifestly unfounded or excessive, in particular because of their repetitive character, VOLT may either charge a reasonable fee taking into account the administrative costs of providing the information or communication or taking the action requested, or refuse to act on the request.

VOLT shall inform every such recipient of personal data, with whom personal data was shared, of all modification, erasure, or data processing restriction, unless this proves to be impossible, or requires an unreasonably large effort. Upon request of the data subject, VOLT shall inform him/her of these recipients.

10. Comments, questions or complaints:

Any questions or requests regarding your personal data stored or processed in our system should be sent to adat@nagyonbalaton.hu e-mail address, or in writing to 1399 Budapest Pf.: 694/245 postal address. 13. Personal data related to children and third persons

Persons under 16 shall not submit their personal data, except when they requested permission from the person exercising parental rights. By providing your personal data to VOLT you hereby state and guarantee that you will act according to the aforementioned, and your legal capacity is not restricted with regards to the providing of data.

If you do not have the right to independently provide personal data, you must acquire the permission of the appropriate third party (i.e. legal representative, guardian, other person – for instance consumer - you are representing), or provide another form of a legal basis to do so. In relation to this, you must be able to consider whether the personal data to be provided requires the consent of a third party. To this point, you are responsible for meeting all the necessary requirements, as VOLT may not come into contact with the data subject and VOLT shall not be liable or bear any responsibility in this regard. Nevertheless, VOLT has the right to check and verify whether the proper legal basis has been provided with relation to the handling of data at all times. For example, if you are representing a third party – for instance a consumer – we reserve the right to request the proper authorization and/or consent of the party being represented with relation to the matter at hand.

VOLT will do everything in its power to remove all personal information provided without authorization. VOLT shall ensure that if VOLT becomes aware of this, such personal information is not forwarded to any third party, or used for VOLT's own purposes. We request that you inform us immediately via contact information provided under article 10 if you become aware that a child has provided any personal data about himself or herself, or any other third party has provided any personal data of you unauthorized to VOLT.

14. Legal remedies

- a) VOLT may be contacted with any questions or comments regarding data processing via contact information provided under article 10.
- b) You may initiate an investigation at the Hungarian National Authority for Data Protection and Freedom of Information (1530 Budapest, Pf.: 5., phone: +36 (1) 391-1400, e-mail: ugyfelszolgalat@naih.hu, website: www.naih.hu) alleging infringement of rights concerning the processing of your personal information or if an immediate threat of such infringement is impending, in addition
- c) In case of infringement of your rights, you may seek judicial remedies against VOLT as data controller. The court considers the case out of turn. VOLT has the burden to prove that processing of the data was in accordance with the law. Decision of the case is within the jurisdiction of the court. Legal proceedings may also be brought before the court where the data subject has domicile or residence.
